People can make mistakes, may have flaws and even can handle sin. No one since there is an angel, is not faultless and not perfect human. But the Muslim community in brothers concealment of errors and defects and storage are recommended. Openly committed sins tries to eliminate work by (Nahy' i Anil Munkar)

Secretly a crime or sin committed by Muslims, but does not hurt anyone than no need to investigate those crimes or sins. Some of Muslims could blame their own shortcomings, the sin, defect and the error. This is not like the initiation of its own shame. Do not cast them small in the community and do not bother to recognize evil among the people. In fact, they try to conceal such defects. Because so ugly things as spread among people, both believers do not

lose the value of a human being among others. Our Prophet says in this regard ' ' Do not investigate the shortcomings and defect of the Muslims. Because who will investigate these shames and defects of Muslims than Allah will follow his/her shame. Finally, Allah will put to shame and frustration him/her even in his/her home at ' ' (2). Allah gives a warning for Muslim people, the faithful of all kinds of ugliness and bad for those who want things done, so that those who threaten the world and Hereafter with a painful

punishment. Allah says in Quran ' ' Verily, those who like that (the crime of) illegal sexual intercourse should be propagated among these who believe, they will have a painful torment in this world and in the Hereafter.
