UNITY AND COOPERATION IN ISLAM

Dear mumins!

It is always very natural for human beings to seek happiness. Decent communities are needed in order for people to reach happiness and enjoy a peaceful way of life, In such an environment the masses of people have no alternative other than peace, tranquility and happiness and these affect the peace, tranquility and happiness on which all of society depends. Islam, the supreme religion, aims at human happiness, mainly know as Tawhead. Tawhead is a belife that there is only one God to unite around.

One of the most important issues of Islam is to focus on the unity and togetherness. When there is unity and togetherness. There will be brotherhood, peace, abundance, blessing and mercy. In order for us to be happy in this world and hereafter. We must hold very tightly to the book of Allah (s.w.t.) Quran, so that it will be possible for us to live in unity and solidarity. Allah (s.w.t.) expresses this truth “ And hold fast, all of you together, to the rope of Allah (This Quran) and be not divided among yourselves, and remember Allah’s favour on you, for you were enemies one to another but he joined your hearts together, so that, by his grace, you became brethren (In Islamic Faith) and you were on the brink of a pit of fire, and He saved you from it.

Thus Allah makes His ayat

(Proofs,evidences,verses,lessons,sing,relevations, etc.) Clear to you, that you may be guided)

Muslim people should get unity and cooperation in the side of Quran and were adviced not seperated and not to be broken who

had believed in Allah and prophet Muhammed (p.b.u.h.) Muslim people must embrace that principle “There are peacefull and happines in unity and cooperation.

Religion of Islam think being talked of solidarity and unity so declared that the Mumins are brothers. Like wise in the Quran “The belivers are nothing else than are nothing else than brothers.(In Islamic religion) so make reconciliation) between your brothers and fear Allah, than you may recieve mercy to be ordered.

In order to strengten our unity and togetherness in the society, we as Muslim, must work hand in hand, shoulder to shoulder and soul to soul day and night. Desired goals can only be reached by Iman, determination, patience and hard work.
